Beech Bend Raceway Park, Bowling Green, KY

Beech Bend Raceway Park in Bowling Green, Kentucky plays host to the National Hot Rod Reunion. This year was no different, although it was a rainy weekend in the Blue Grass State, there were plenty of Hot Rods that braved the wet weather to come and show off their prized possessions.

Beech Bend Raceway has a 1/4 mile drag strip that under normal “dryer” circumstances is a highlight to the weekend as you are given a mixture of nitro methane and tire smoke which fills the air and peaks the olfactory senses. Unfortunately, for this weekend it was mostly the auditory senses that were used as we listened to the roar of the track drying equipment making a valiant attempt to keep the track dry inbetween rain showers.

The good thing is that we managed to stay dry long enough to shoot some of our favorite cars/trucks from the show field!! WMM

(top) Check out the meats under the rear of this cool Tri-5!!!
(bottom) Billy Oaks/ Terry Childers - '32 Ford Roadster

(top) Pat & Ken Reisenbigler - '68 Chevrolet Nova - Alabama
(bottom) Rusty Tucker, '32 Ford Fordor - Lore City, Ohio

Flip Bost - '61 Chevrolet Impala - Statesville, NC
Check out the "detailed to the max" engine bay!!

You cannot go wrong with Lipstick Red Leather, and I love all the detail work with the SS emblems and custom constole!!

Matt & Renee Ratliff - '60 Chevrolet Bel-Air - Radcliff, KY

[WOLF MOTORSPORTSMAGAZINE.COM](http://WOLF.MOTORSPORTSMAGAZINE.COM)

This killer Tri- Five '55 Chevrolet was for sale. It has a 400 sbc backed to a 700R-4, new windows and new interior! At 28.5K I think this was a good deal!!

(top) Mike & Eva Spence - '55 Chevrolet Wagon - Humboldt, IL

(bottom) Fred & Cathy Manzke - '57 Chevrolet Bel-Air - Tuscola, IL

The words “White Walled Elegance” comes to mind right here at this moment!!!

(top) It seems the Tri-Fives were out in full force and this one was just a nice as the rest!!

(bottom) Paul Williams - '53 Chevrolet Bel-Air - Concord, NC

(top) Check out the suede and the stance! Doesn't get much better!

(bottom) Gaylord & Jean Fisher '48 Chevrolet Pickup - Scottsburg, IN

Norwood & Kay Garrison from Kentucky brought out this killer flamed '41 Pro Streeted Willys!!

The flame job is off the hook as is the red leather interior. I love the polished 5 spokes for rolling stock!!!

We were digging Lloyd & Janice Brekke's Lakeland, FL based '65 Corvair Corsa convert. Fully Custom with awesome paint, a light tan top and cool polished wheels with big brakes hiding behind them!!!

Jason Graham - '31 Ford Tudor - Portland, TN

Jason certainly builds some high end hot rods and customs out of his Portland, TN shop!! Just check out the details!!!

I don't think there would be a problem with people seeing you while driving this cool ride!! What with the bright yellow paint and polished Americans! I could see myself putting some miles on this one!!!

Roger & Bob from Springfield, OH own this killer flamed '51 Ford!!

When you cruise in this awesome '41 Willys owned by Gary Sizemore of Lebanon, OH, you may just need a kleen-ex due to the killer nose bleed stance!!! This is one terrific ride and all period correct!! We love it!!!!

We here at WMM are huge Merc Fans!!! And this '50 Mercury owned by Billy Joe & Susan Porter from Cumberland Furnace, TN is no different!!

Check out this awesome olive green Chevrolet Pickup. I'd cruise it!!!

This is one of my favorite shots. Just as Henry wanted them...BLACK!!! (foreground) James Power '34 Ford Roadster(background) Bobby Brandenburg's '40 Ford Ford Fans I don't think it gets much better than this!!!!

(top) Love, love, love it!!! Maybe a little off the top??

(bottom) Ted & Barb Novick, - 48 Plymouth P-15, Greenwood, IN

(top) George Watkins '57 Ford Custom 300 - Tennessee

(bottom) What a cool pickup...check out that stance!!!!

(top) We love us some '57 Ford Wagons and this orange and cream version is no different!!(bottom) Ed & Joy Groves - '55 Chevrolet Handy Man - Springfield, TN

(top) Charles Hobbs - '63 Impala SS - Lexington, KY
(bottom) Jim Howe Jr. - '56 Ford Mainline - Clio, MI

(top) John & Deborah O’Nan - ‘62 Impala Bel-Air Bubbletop - Lancaster, KY (bottom foreground) Barry Mc Fadden - ‘48 Anglia - KY (bottom background) Nat Ragtand - ‘50 Anglia - Lancaster KY

(top) Alex Patterson - ‘49 Ford - Cave City, KY (bottom) Check out the paint on this ‘57 Chevrolet!!!

As previous seen on page: 34 We love the '57 Ford Wagons, so we thought it would be nice to give you a much larger shot to enjoy! It has bright orange paint with cream colored accents, a killer stance and rolls over a round of large diameter polished 5 spokes! We really hope you enjoy as much as we do!!

Donnie Hart brought out his '69 Chevrolet Nova from Radcliff, KY to brave the wet weather conditions.

Check out that laser straight body, black vinyl top and red line tires and "old school" Chevrolet Rallyes with flat caps! AWESOME!!!!

Wide Whitewalls Cruisin' Cuisine!

*We here at Wolf Motorsports Magazine would like to introduce you to
Wide Whitewalls - Cruisin' Cuisine!!!*

What is Wide Whitewalls Cruisin' Cuisine you may ask? A: Wide Whitewalls - Cruisin' Cuisine will be the newest section of the magazine that will highlight and introduce to you the best places to eat that this country has to offer.

What else will this section of the magazine contain? A: It will show photos of the restaurant(s) that are featured during that particular month. The restaurant will normally be pretty close to the car show that is covered for that particular issue.

When will Wide Whitewalls - Cruisin' Cuisine begin? A: WWW-CC will begin with the 6th Anniversary - June issue of Wolf Motorsports Magazine!

Why is this section being added to a car magazine? A: The answer to this one is simple, when we are cruising all over the US to attend car shows, we have to eat! And, we're not sure about you all, but we are always looking for the best place close to the car show where we can chow down, either before, during, or after the car show! It's that simple! My other hobby besides everything car related is everything FOOD related!!! So, we wanted to add something that we think you will find usefull and enjoyable in your travels!!!

We here at WMM would like to hear about your favorite places, to eat and would love to share photos of them. If you would like to share please email us at: contactus@wolfmotorsportsmagazine.com

May you enjoy the best flavor profiles on your automotive journeys!!

Located just off of Exit 22 in Bowling Green, Kentucky is this fine establishment. Chuys!!! It's Tex-Mex at its finest! Ok, I know your thinking "Tex Mex in Kentucky" it can't be any good. But trust me it is and you will not be dis-appointed!!

Chuy's originated in Austin, Texas and over the past few years has been expanding to key locations across the US. A chain, yeah maybe, but there is no difference in the quality of the food of the original on Barton Springs in Austin or the one in Bowling Green! Top Notch Tex Mex!!!!

Every Chuy's that I've been too (8 and counting) has an assortment of cool T-shirts available for purchase!!!

What a great place to sit and eat some killer Tex-Mex than in a room decorated with cool car photos and a ceiling made of hubcaps!!!!

(top) This is Chuy's salsa that goes with their endless fresh made tortilla chips! (bottom) Boom Boom sauce!! Nuff Said!!!

What a way to enjoy your tortilla chips, or as a sauce on any of your favorite dishes. Chuy's "Creamy Jalapeno" you have to ask for it though!!! And best of all there is no additional charge!!!

Here is my wife's go to dish (or what's left of it) Mini Burrito, comes in shredded chicken, or options of beef, or fajita chicken!! Unless you are extremely hungry then order its big brother "Big as yo face" burrito!!

If you happen to be dining at Chuy's during the hours of 4pm - 7pm Monday through Friday, don't forget to check out Happy Hour and visit the trunk of a cool ride for some tasty treats to snack on while you wait!!!

Every Chuy's location has a killer covered patio that is heated for the cooler winter months and fans to keep you cool in the summer!!!

BENCH RACING

Bench Racing is defined in several different ways. The urban dictionary defines Bench Racing as:

1. To discuss quarter mile elapsed time of a car based on a list of modifications or horsepower estimate.
2. To discuss the estimated output (in horsepower) of one engine versus another based on lists of modifications done to each engine.
3. To discuss the estimated output (in horsepower) of one engine versus another based on lists of modifications done to each engine.

While I do agree with the Urban Dictionary's definition of Bench Racing, Bench Racing in the context of this section of the magazine will be defined as:

1. Discussion of ANYTHING automobile related between at least two individuals with the goal of passing time at a car show, sharing automotive related ideas, opinions or entertaining themselves or others.

Please feel free to share your bench race session with the readers by emailing:
